v. )

No. 4:14-CR-00023-A

CHRISTOPHER ROBERT WEAST, ex rel )

Motion to Dismiss  
Wish to Dismiss  
Affidavit of Fact

I am vox Dei, the voice of God, just as vox populi vox Dei, the voice of the people is the voice of God (Hereinafter "I, I am, me, my, myself"), son of our father, with dominion over the earth as my birthright.

FACTS

It is my will and wish to have this case dismissed because "all law is for the protection of private property rights, all other is policy and policy requires consent."

2 of 3

At the July 22, 2014 hearing (Hereinafter "The Hearing"), Judge McBryde repeatedly shielded the prosecutor, Aisha Saleem (Hereinafter "Saleem"), from answering my questions ~~regard~~ regarding the jurisdiction of her claim.

I asked Saleem to prove jurisdiction, on and for the record, and Judge McBryde (Hereinafter "McBryde"), shielded Saleem by repeatedly attempting to answer my question for Saleem.

During The Hearing, I asked Saleem for proof of the jurisdiction as well as asking Saleem for the bid bond required to bond her claim and Saleem did not respond even once.

I explained that I was not asking McBryde, and that I was asking Saleem yet McBryde continued to shield Saleem by attempting to answer for Saleem each time I asked.

I have repeatedly informed McBryde that I do not consent to this courts orders, nor do I wish to contract with the court or Saleem yet I am still being restrained and confined at liberty against my will.

3 of 3

I have come to the conclusion that Saleem knowingly filed a claim with no jurisdiction, which is why Saleem refuses to answer my questions regarding jurisdiction and the bid bond. If Saleem had any proof of jurisdiction of her claim, Saleem would have placed proof on the record when asked for it, therefore, it is my wish to have this case dismissed with prejudice immediately and to have myself released immediately from the Federal Corrections Institute since I am not CHRISTOPHER ROBERT WEAST.

I declare under penalty of perjury under the laws of the united states of America that foregoing is true and correct.
